## INDEPENDENT AUDITORS' REPORT

To the Board of Directors of  
Action for Eastern Montana  
Glendive, Montana

### Report on the Financial Statements

We have audited the accompanying financial statements of Action for Eastern Montana (a nonprofit organization), which comprise the statements of financial position as of December 31, 2020 and 2019, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Action for Eastern Montana as of December 31, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Other Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

### **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated May 13, 2021, on our consideration of Action for Eastern Montana's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Action for Eastern Montana's internal control over financial reporting and compliance.

ACTION FOR EASTERN MONTANA  
NOTES TO THE FINANCIAL STATEMENTS  
Years Ended December 31, 2020 and 2019

**1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Nature of activities

Action for Eastern Montana (AEM) was organized to help the people of Eastern Montana to mobilize their resources to combat poverty by eliminating the underlying causes of poverty, by improving human performance, motivation and productivity, and by bettering the conditions under which people of Eastern Montana live, learn and work. The Board of Directors exercise oversight responsibility for all of the programs presented on the Statement of Activities.

AEM Montana receives a significant portion of its revenue from grants and contracts from government agencies; thus, AEM is subject to possible cutbacks due to changes in funding priorities. During the years ended December 31, 2020 and 2019, AEM received approximately 92% and 86% of its gross public support from such grants/contracts, respectively.

Basis of presentation

AEM's financial statements are presented in accordance with accounting principles generally accepted in the United States of America (GAAP), as codified by the Financial Accounting Standards Board.

Cash and cash equivalents

Cash and cash equivalents consist of a non-federally funded insured repurchase agreement held by the Stockman Bank of Glendive, Montana. The deposits are fully collateralized with securities held by the pledging financial institution's trust department in AEM's name as of December 31, 2020 and 2019.

For the purpose of the statement of cash flows, AEM considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Restricted cash and cash equivalents

Certain cash balances generated from grant and other income sources are classified as restricted on the balance sheet due to the use being limited to specific programs or functions.

Grants receivable and allowance for doubtful accounts

Grant receivables are stated at unpaid balances, net of any allowance. At December 31, 2020 and 2019, management determined an allowance was not necessary based on a review of historical losses, specific grant receivable balances, and industry and economic conditions. No receivables were written off in 2020 or 2019.

ACTION FOR EASTERN MONTANA  
NOTES TO THE FINANCIAL STATEMENTS

**1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES  
(CONTINUED)**

Property and equipment

Property and equipment are stated at cost at date of purchase, or fair market at date of donation. Management's policy is to capitalize property and equipment over \$5,000. Depreciation is computed by the straight-line method over the estimated useful lives of the assets. Major betterments are capitalized and depreciated. Maintenance and repairs which do not significantly improve or extend the life of the respective assets are expensed currently. Upon sale or retirement, the cost and related accumulated depreciation are removed from the accounts, and any resulting gain or loss is reflected in the statement of activity.

AEM reports gifts of land, buildings, and other equipment as without donor restrictions unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, AEM reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Refundable grant advances

AEM records some designated grant receipts as deferred revenue until they have been expended for the purpose of the grant, at which the funds are recognized as revenue.

Net asset classification

Net assets are classified as *without donor restrictions* in the absence of donor-imposed restrictions. This category includes net amounts that have been earned and expended according to donor and contract conditions and generally unrestricted activities. Net assets without donor restrictions are used to benefit schools at the discretion of the Board of Directors, and for internal operations and administration. This also may include net assets that are restricted by the Board of Directors of AEM.

Net assets are classified as *with donor restrictions* have donor-imposed restrictions have not been met. Such restrictions may be met by the passage of time or use for a specific purpose, or the assets may be expected to be maintained in perpetuity.

Years Ended December 31, 2020 and 2019

**1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES  
(CONTINUED)**

Net asset classification (continued)

AEM reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as without donor restrictions.

Revenue recognition

AEM recognizes all unconditional gifts and promises to give in the period notified. Contributed support is reported as without or with donor restrictions depending upon the existence of donor restrictions.

Grant, contract, and other revenues are recognized when earned.

Contributed service revenue results when donated services create or enhance non-financial assets or when they require specialized skills provided by people possessing those skills that would typically be purchased if not provided by donation. Contributed goods are valued at their estimated fair value at the date of contribution. Professional services donated to AEM that are included in the financial statements as of December 31, 2020 and 2019 total \$261,035 and \$312,286, respectively.

Program activities

AEM maintains separate accounts for each fund; however, in the accompanying financial statements funds that have similar characteristics have been combined into activity groups. The primary activity groups and their related purposes are summarized as follows:

*Head Start* – Provides comprehensive services to eligible preschoolers and their families in Glendive, Glasgow, Malta, and Miles City, Montana. The purpose of the program is to develop, administer, and implement programs for the educational, social, health, nutritional, and psychological needs of children and their families. While eligibility is based on income guidelines, families that received certain benefits may be eligible. Ten percent of the slots can be filled with over income families.

Program activities (continued)

*Community Services Block Grant* – AEM provides innovative and creative solutions to identified community needs. The goal is to build and sustain healthy communities through the development of community programs that educate and support families and individuals.

*Employment and Training* – The Workforce Innovation and Opportunity Act (WIOA) provides services to youth ages 14-21, if in-school, and ages 16-24, if out of school. The main purpose is to increase the focus on longer-term academic and occupational learning opportunities and provide long-term comprehensive service strategies.

*Weatherization* – Weatherization assistance is provided to households who qualify for Low Income Energy Assistance (LIEAP) benefits. Client homes are prioritized on a list according to income and energy burden/usage. Weatherization measures may include a furnace tune-up, caulking, weather stripping, insulation, storm windows, vent dampers, window quilts, and replacement of broken glass and repair of primary doors.

*Low Income Energy Assistance* – the LIEAP program is designed to help low-income families and individuals with a portion of their heating bills.

*Area I Agency on Aging* – Provides a variety of opportunities for persons age 60 and older and to their spouse regardless of age. Services under the Older Americans Act have no income guidelines. Some of the services provided by our local county Councils on Aging include: Transportation, Skilled Nurse, Personal Care, Homemaker, Health Promotion, Respite Care, Senior Centers, Legal Services, Congregate Meals, Home Delivered Meals and Outreach.

*Housing* – Provides assistance to low-income, handicapped, elderly and disabled persons with rental costs. Assistance is based on household income.

*Emergency Homeless and Shelter* – Helps homeless families and individuals who meet certain qualifications. To be eligible for financial assistance one must be currently homeless or have received an eviction notice resulting from a sudden or unexpected drop in income. This program was closed during 2019.

*Management and General* – Consists of funds that are used for administering AEM. The costs allow AEM to operate and provide services to clients that are not directly attributed to client services.

ACTION FOR EASTERN MONTANA  
NOTES TO THE FINANCIAL STATEMENTS  
Years Ended December 31, 2020 and 2019

**1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES  
(CONTINUED)**

Advertising and promotion costs

AEM expenses the cost of advertising and promotion as incurred. There were no advertising or promotion expenses during the years ended December 31, 2020 and 2019.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income taxes

AEM is a tax-exempt organization under the provisions of Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been recorded in these financial statements as AEM believes it had no income unrelated to its exempt purposes in 2020 or 2019. With few exceptions, AEM's informational return (I.R.S. Form 990) is not subject to examination by tax authorities for years prior to 2017.

**2. ADOPTION OF NEW ACCOUNTING STANDARD**

During the audit period ended December 31, 2020, AEM adopted ASU 2016-18, Statements of Cash Flows (Topic 230). Adoption of this standard does not change prior reported amounts for net assets or changes in net assets.

Years Ended December 31, 2020 and 2019

**7. EMPLOYEE BENEFITS**

These benefits are primarily comprised of retirement plan contributions and group health insurance as described below:

AEM has a 401(k) pension plan. The agency provides a 2 for 1 matching contribution to employees up to a maximum of 4% during the years ending December 31, 2020 and 2019, for all eligible employees. Eligible employees are those who have one year of service, have worked at least 700 hours, and are at least 21 years of age.

AEM provides group health insurance to all permanent and seasonal employees who work at least 700 hours per year and 24 hours per week.

During the years ended December 31, 2020 and 2019, AEM paid \$351,578 and \$300,877 in employee benefits, respectively.

**8. CONTINGENT LIABILITIES**

From time to time, AEM is subject to litigation in the ordinary course of business. In the opinion of management, the outcome of these legal proceedings will not have a material effect on AEM's financial position or results of operations.

**9. NET ASSETS WITH DONOR RESTRICTIONS**

AEM has received contributions from various organizations and individuals donated for a specific program or future event. Changes in net assets with donor restrictions for the years ended December 31, 2020 and 2019 are as follows:

	Area Agency on Aging	Senior Companion Program	Makoshika Estates	Other Programs	Total

Years Ended December 31, 2020 and 2019

**10. OPERATING LEASES**

AEM Montana has entered into contracts to lease office space in Glasgow, Montana and Sidney, Montana. These leases are automatically renewable every year. Total payments under the operating leases for the years ended December 31, 2020 and 2019 were \$18,884 and \$18,801, respectively.

**11. MINERAL RIGHTS**

For the years ended December 31, 2020 and 2019 AEM received \$152 and \$166, respectively, in royalty income from mineral rights donated to them in 1998. No value has been placed on these mineral rights as management considers the value to be immaterial to the financial statements.

**12. LIQUIDITY AND AVAILABILITY OF RESOURCES**

AEM receives contributions with donor restrictions. Because a donor's or grantor's restriction requires resources to be used in a particular manner or in a future period, AEM must maintain sufficient resources to meet those responsibilities. Thus, financial assets may not be available for general expenditure within one year.

AEM considers contributions with donor restrictions for use in current programs which are ongoing, major, and central to its annual operations to be available to meet cash needs for general expenditures. General expenditures include administrative and general expenses, and fundraising expenses to be paid in the subsequent year. Annual operations are defined as activities occurring during the AEM's fiscal year.

The table below presents financial assets available for general expenditures within one year at December 31, 2020 and 2019:

	2020	2019
Financial assets at year end:		
Cash and cash equivalents	\$ 936,741	\$ 177,093
Restricted cash and cash equivalents	1,215,819	1,407,722
Grants receivable	405,691	398,173
Total financial assets	<u>2,558,251</u>	<u>1,982,988</u>

NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS  
For the Year Ended December 31, 2020

**BASIS OF PRESENTATION**

The accompanying schedule of expenditures of federal awards (Schedule) is presented on the accrual basis of accounting, which is the same basis of accounting used for financial reporting purposes. The Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Expenditures are recognized following the cost principles contained in the Uniform Guidance. Because the Schedule presents only a selected portion of the operations of AEM, it is not intended to and does not present the financial position, changes in net assets, or cash flows of AEM.

**PROGRAM DESCRIPTIONS**

AEM is a not-for-profit corporation located in Glendive, Montana. AEM is part of a national network of community action agencies that were created by the federal government to combat poverty. AEM partners with various agencies to provide basic needs services within eastern Montana. AEM receives a significant portion of its funding via various grants from the U.S. Department of Health and Human Services. The Head Start Program, CFDA 93.600 comprises the largest portion of funding and was one of two major federal programs for the year ended December 31, 2020.

**INDIRECT COST RATE**

AEM has elected not to use the 10 percent *de minimis* indirect cost rate allowed under Uniform Guidance.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED  
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors of  
Action for Eastern Montana  
Glendive, Montana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Action for Eastern Montana (a nonprofit organization), which comprise the statement of financial position as of December 31, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated May 13, 2021.

**Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Action for Eastern Montana's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Action for Eastern Montana's internal control. Accordingly, we do not express an opinion on the effectiveness of Action for Eastern Montana's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

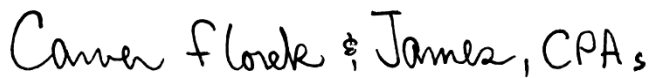

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Action for Eastern Montana's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Action for Eastern Montana's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Action for Eastern Montana's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH  
MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE  
REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors of  
Action for Eastern Montana  
Glendive, Montana

**Report on Compliance for Each Major Federal Program**

We have audited Action for Eastern Montana's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on Action for Eastern Montana's major federal programs for the year ended December 31, 2020. Action for Eastern Montana's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

**Management's Responsibility**

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

**Auditors' Responsibility**

Our responsibility is to express an opinion on compliance for Action for Eastern Montana's major federal programs based on our audits of the types of compliance requirements referred to above. We conducted our audits of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audits to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Action for Eastern Montana's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Action for Eastern Montana's compliance.

### **Opinion on Each Major Federal Program**

In our opinion, Action for Eastern Montana complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2020.

### **Report on Internal Control over Compliance**

Management of Action for Eastern Montana is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Action for Eastern Montana's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Action for Eastern Montana's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
